Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: WA/80/21/OUT
Site Address: Land East of Yapton Lane Walberton BN18 0LJ
Description of works: Outline application with all matters reserved (except access) for up to 75 No. dwellings. This application affects the setting of a listed building, affects the character & appearance of the Walberton Village Conservation Area & is a Departure from the Development Plan.

Thank you for your internet representation made on 7th October 2021 which has been recorded as an objection with the comments as follows:

OWPC40994

Strongly object to this development as it degrades the listed buildings, increases traffic, undermines the word 'conservation' in a conservation area, is a loss of wildlife habitat, increases traffic through already congested village and puts further pressure on traffic using Yapton Lane. Added to the Boris Johnson announcement today that no development should take place on greenfield sites or those that demean or change the character of our few remaining listed building environments or country fields, I cannot see any need either, for development at this site. The wildlife will also, yet again, need to somehow magically relocate!

Your views as made above will be considered before the application is determined.

In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/planning-application-search>
