Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: WA/80/21/OUT
Site Address: Land East of Yapton Lane Walberton BN18 0LJ
Description of works: Outline application with all matters reserved (except access) for up to 75 No. dwellings. This application affects the setting of a listed building, affects the character & appearance of the Walberton Village Conservation Area & is a Departure from the Development Plan.

Thank you for your internet representation made on 7th October 2021 which has been recorded as an objection with the comments as follows:

OWPC41007

This site is not included in the very recently made Walberton Neighbourhood Development Plan (NDP)

o During the assessment phase, it was rejected by independent advisers AECOM because "The site is greenfield therefore is in not in conformity with the Neighbourhood Plan policy on prioritising brownfield land and it would impact the village character."

"The scale of the proposed development is larger than the housing requirement and is therefore not necessary to meet the requirement." Walberton Parish has already allocated in excess of its requirement as part of the made NDP

"Development in this location would extend the settlement into open countryside and elongate the built-up area further."

"It would compromise the gap between Walberton and Binsted and there are no natural defensible boundaries beyond Yapton Lane to the east and there would be a risk of further encroachment into open countryside." Gap maintenance is a core vision in the NDP and is referred to in NDP Policy HP1 2020.

"The views across the site will fall within in the 'protected views' policy in the revised Neighbourhood Plan which may limit the development or the extent of the developable area."

- This site is not present in Arun District Council's (ADC's) HELAA
- The site is outside the Built-up Area Boundary, in conflict with NDP Policy HP1 2020 and ADC Local Plan policies C SP1 (Countryside) and SD SP2 (Built-up Area Boundary)
- The site is located in an area with an important local vista NDP Policy VE13 2020 (Views and Vistas).
- The application for this site is premature as the exact route of the A27 Arundel Bypass is currently not known. The final route may run through it.

Your views as made above will be considered before the application is determined.
