Hi Simon,

Please find attached cover letter and corresponding information required to discharge conditions 11 and 12 for the Land East of Wandleys Lane, Fontwell, WA/35/23/OUT.

As noted within the relevant authorities' comments, we have amended the CMP document and produced a tracking plan document in aid of conditions 11 and 12.

The previously submitted Construction Traffic Management Plan (CTMP), and Site Setup Plan (SSP) remain on the same revision, as the comments raised in relation to these have been addressed in the CMP document and tracking plan as required.

Please let me know if there are any issues.

Kind regards

Good afternoon Simon,

Are you happy for me to issue the updated CMP, SSP, and CTMP via email? Or would this need to be via the planning portal?

Kind regards
