Many thanks for the letter (copy attached) your ref: WA/82/17/T dated 17th January 2018, in relation to the application for works to trees subject to a Tree Preservation Order (TPO).

As has been further requested for the application, I have now attached the further information requested, this being;

2. To provide measurements (in metres) detailing how much we are wishing to lift the crowns of the Oak and Chestnut trees by, and;
3. To provide measurement (in metres) detailing how much we are wishing to reduce the crown of T16 Oak by.
