Will these photos be acceptable for you ?

I can ask a friend to scan the plan and pages 15 and 16 to send on to you.

I have asked Chartwell Windows to send me a more detailed plan of the new windows, I will then send them on to you.

The new doors will be made exactly the same as the old ones measuring 2210 high and 1530 width. The only difference is that they will have heritage acceptable double glazing.

Please advise me if I have missed anything.
