# Danigard Acream Statement

My apartment is at the front  
end away from the original Manor House.  
The front door I need to replace as at  
the back of the building.

They will be replaced by white painted  
wooden doors, with a brown handle and  
round large glass panel. The only  
difference is they will be heritage  
acceptable and double glazing.

There are no historic walls  
on frontiers on any side of the building.

The work can be done via the front car  
path, around the side garden or driveway.
