22nd January 2018

Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Demolition of existing structure & paddock & erection of farm building for the secure storage of farm machinery, fertilizer, hay & straw (resubmission following WA/63/16/PL).

Fairmeads Farm Binsted Lane Arundel

Thank you for your internet representation made on 21st January 2018 which has been recorded as '**an objection**' with the comments as follows:

The revised Application for a building on the site appears to be larger than the one refused. We believe the proposed building would be used for machinery in connection with the Applicant's drilling business, i.e heavy plant rather than normal farm machinery. the building would be detrimental to local environment and machinery movements detrimental to neighbouring properties. also Binsted Lane is unsuitable for the movement of plant and machinery and is already considerably damaged by existing heavy traffic.

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther
Group Head of Planning
