Clare,

Further to my previous e-mail are you able to agree an extension of time to us to determine the application?

We would like the date of the EoT to be 8th June as this would enable the application to be considered at Development Control Committee on 6th June.

Clare,

Ross Leal was previously dealing with the application and following his departure today I have taken over the case.

I spoke with Jack earlier as I was unable to locate the conditions you have been discussing. I have now located them and will consider them shortly.

As I am new to the case I would appreciate a brief discussion with you (if possible tomorrow morning).
