Hello Juan

Please see attached for your review. Thank you

Scale:
1:50

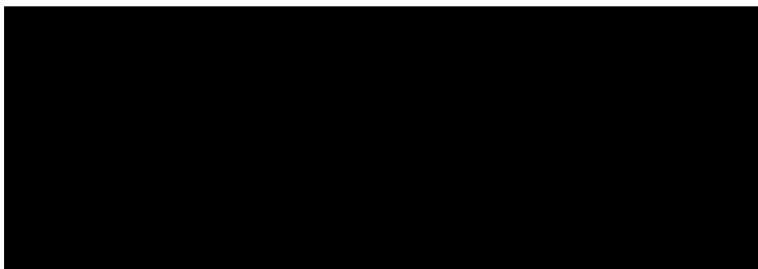

Planting Scheme:

We will be planting climbers approximately every metre along the fence. We will plant a combination of evergreen climbers to ensure a consistent appearance throughout the year. The spacing will allow the climbers room to grow and eventually cover most of the fence.

We will plant evergreen climbers such as *Clematis armandii* Snowdrift, *Sollya heterophylla* and *Trachelospermum jasminoides*.

Kind regards,

Richard Harfoot

Dear Mr Harfoot,

Further to my telephone message. I am happy with the principle of a fence to be, eventually, screened by some planting forward of it. However, there is no planting scheme shown by way of a plan that can be used to approve your application. Please prepare one and submit. I am here next week on Tuesday only but if you need to speak to an officer about this please liaise with Mr Gardner who is aware of the situation.
