Dear Mr Crowther

Apologies but I have received a correction from the tree surgeon. The Holly and Bay final height to be 4.5 meters and the final crown spread to be approximately 2.5 metres.

Best wishes

Nigel Wachman

Dear Mr Crowther

Thank for the attached letter. The requested information is as follows.

T1 Hazel. The lower limbs on this tree will be lifted giving an understory head clearance of 2 to 2.4 metres

T2/3 Holly and Bay. These will be pruned to a final height of approximately 4.5 to 5 metres and a crown spread of approximately 3.5 metres

I hope this provides the information you need.

Best wishes

Nigel Wachman
