Dear Janice

Further to our telephone conversation last week, when you confirmed that option 2 was preferred, please now find attached the revised planning application drawing DPA-01 rev 02, to replace the original application drawing as requested.

Should you have trouble opening or printing the attached drawing please do not hesitate to contact me and I will arrange for hard copies to be sent to you in the post, thank you.

Trusting we have interpreted your requirements correctly, thank you for your continued help and co-operation with this project.

with best regards

Ella Pope
