Dear Janice

Trusting you had a pleasant Christmas and a wishing you a happy new year.

When we last spoke about the above project, you stated you would need to discuss further with your Senior Officer and with Ian Wightman (who is typically in on Wednesdays) and that you would update me accordingly - as such, I have not developed the proposals any further and assume that there is nothing further to report from your side, thank you.

Perhaps I could give you a call after Wednesday next week when Ian will hopefully have been in, to see whether you have had chance to discuss? I am now out of the office today and tomorrow, with surveys but will be back in the office on Monday.

with best regards

Ella Pope
