Dear Mr Corbey,
Thank you for your email.
I would see therapy clients on week days. With Tuesdays and Thursdays being my preferred contact days but due to my caring role some clients may have to be moved to the other days.
I also teach, which may take place at weekends depending on student availability.

I will endeavour to provide a scan of the floor plan by 5th Dec.
Yours sincerely
Suzanne Ruddle

Mrs Ruddle,

In regard to the above CLP application, I am in the process of assessing the intensification as a result of introducing the proposed D1 (non-residential – Clinic) use. In order to seek clarification and make a judgement on the intensified use we seek further confirmation.

Within your submitted information you fail to mention which days of the week the use would function, in addition a floor plan to indicate the overall size and internal layout. This additional information would be most helpful.

The application is due for decision on 5th December, however in light of the requirement for this info required I am happy to extend the decision date to accommodate this.

If you could please come back to be with a time frame you require for submission then this would be helpful.

Best regards
