Any chance you could do this one for me too.

Be a great help Lynnyrd!

Please can we save file as further information

And have the attached file -- saved separately as the floor plan

Thanks

Dear Mr Corbey,
With regard to the above CLP application, D1 (non-residential – Clinic) use, here is the floor plan you have requested to indicate the overall size and internal layout.
I emailed you yesterday regarding the days of the week I expect to work. (Mon-Fri for clients and possibly occasional weekends for teaching.)
If you require any further information please email me.
Best regards
Suzanne Ruddle
