11th January 2019

Dear Sir/Madam

Planning (Listed Buildings and Conservation Areas) Act 1990 (as amended)

Listed building consent for a replacement 1.19m high privacy screen, affixed to the existing 0.48m high dwarf wall giving a total height of 1.81m to North and West sides of patio.

9 Walberton Park Walberton

Thank you for your internet representation made on 11th January 2019 which has been recorded as '**an objection**' with the comments as follows:

I object to this retrospective application for a replacement fence. It is an ugly metal structure and not in keeping with the character of the Grade 11 Listed building and is an eyesore. It is not a replacement fence as there has never been a fixed fence on top of the dwarf patio wall. The only fence was a section of wooden open trellis placed against the outside the north facing wall which became hidden by the shrubbery. There has not been any fence to the west side facing the church, only the shrub fence which became overgrown over the years. I would have no objection to a reinstatement of the trellis on the north side which could support plants, as it had been originally. If this metal structure is allowed to remain it will set a precedent which others could, and probably could, follow.

Unfortunately it is not possible for the council to respond to each representation individually but your views will be considered before the application is determined and I shall write to inform you of any decision made.

If the application is to be determined at the Development Control Committee and your letter has been received after the agenda has been published, you will not receive a separate letter notifying you of the date of the meeting and the procedures for public speaking. In such circumstances, it is recommended that you track the progress of the application on the website or telephone for further information. Please be advised that any comments received after the the Development Control Agenda has been produced will be reported to the meeting. Please also note that only a small number of all planning applications are determined at the Development Control Committee, most are determined by officers under delegated power.

All representations are published on our website so please make sure your views are clear and only include information that you are happy for the public to view. Do not include personal information or information from third parties unless you have their permission to do so. If a complaint is received that permission has not been given for comments included about a third party, the Council reserves the right to redact/remove all relevant information. Do not include information that is defamatory or breaches equality or other legislation. If you do not wish your comments to appear on the website and on the file, please confirm this in writing and I will arrange for it to be destroyed, although this does mean that its contents will be disregarded. For details of what we do with your personal information please refer to our privacy statement comments on planning applications which is available on our website www.arun.gov.uk/planning-privacy-statements.

In the event of a subsequent written representations appeal, against a refusal of planning

permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther
Group Head of Planning
