Good morning Laura,

I don't believe we have spoken before, but my name is Lucy Robinson and I work in the Planning Team at Henry Adams Land, Planning and Development. Nice to meet you – albeit over email.

I have received through the invalid letter for WA/89/26/NMA for Land West of Yapton Lane in Walberton and just have a couple of comments which I have noted below.

- C9_26_03_PL_HTE_P4 Plot 36 – The front door is shown on the front elevation and is noted as number 14 on the material schedule. I have re-attached this plan for ease.
- C9_23_38_PL_HTABB_P4 Plots 12-16 Elevations – the cycle and refuse stores can be seen on C9_23_38_PL_HTABB_P3 (Plots 12-16 plans). They are located within the internal fabric of the building and thus are not shown on the elevations.

Please accept this email as confirmation of the amended description.

I hope the above is helpful but please let me know if you have any other queries.

Thank you!

Kind regards,
Lucy
