Subject: WA/91/11/T - Surgery to Purple Plum and Sycamore - Outside No 6 Maple Parade, The Street, Walberton

Dear Ian,

I have checked with the TPO WA/3/99 and the two trees covered by this order is a Whitbeam and Purple Plum. This application seeks to carry out works to a Sycamore and Purple Plum.

When you visit the site can you confirm that it is a Sycamore and not a Whitbeam.

Thanks

Janice
