Hi Chima,
I attach you comments in respect of the above application. The method statement relates to tree works. Could you let me know if the details with respect to energy efficiency measures (condition 16) are acceptable?

Thanks
Anita

Dear Planning,

Concerning condition 15 imposed under WA/18/19/PL relating to the method statement, EH cannot recommend the discharge of this condition as no information has been submitted.

Once we receive the requested information, I will be happy to provide a revised response.

Kind Regards
