Ms Harding,

Thank you for your email, however, the only information I have received from you was by letter. Most odd! Anyway, those plans are fine, I will get the application registered dated from Friday 11th November

Mrs S Leeson will now be dealing from this application

Kind regards

Mrs Julie Grieves

F.A.O. Mrs. J. Grieves,

Further to your letter received by email today I attach amended plans as requested, to be included in planning application ref. WA/92/11/.

I have shown the position of the new underground fuel tanks hatched. I have also (on drawing no. PLG-02 rev B) indicated in a key the existing and proposed position of the vent stack.

I hope you will find this information satisfactory and the application can now be registered.
