Dear Mrs Johnson,

**Lidsey Foul Water Assessment – Lillypad, Yapton Lane,
Walberton**

We are proposing a single storey extension at the above property.

Within the proposals are a new WC, bathroom and utility room, along with a re-sited kitchen. The wastes from these rooms will discharge into new and existing soil and vent pipes, and then to inspection chambers on the existing drain run, which flows to the main public drainage system.

We are not proposing any new connections into the existing public mains drainage system.

Yours sincerely

Ivan Salter,
A. J. Salter & Son
