Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: WA/93/20/PL
Site Address: Land East of Tye Lane Walberton BN18 0LU
Description of works: Alternative vehicular access off Tye Lane & emergency access off Avisford Park Road, along with minor highway works following WA/95/18/RES. This site is in CIL Zone 2 (Zero Rated) as other development.

Thank you for your internet representation made on 16th January 2021 which has been recorded as an objection with the comments as follows:

OWPC32955

Our reluctant acceptance of the original planning application for this site was based on the fact that vehicle access was limited to Yapton Lane, as described in your planning correspondence:-

"The vehicular access to the site was approved as part of the outline planning permission, (WA/44/17/OUT) in 2018; and is located in the north east corner of the site, directly onto Yapton Lane."

Access being via Yalton Lane would not allow the site to become a rat run into Tye Lane, which is not appropriate for the level of traffic that will be generated by this development,

Tye Lane and The Street are both small village streets that are already very congested particularly during school term times, with commercial vehicles, including busses, adding to the congestion. Vehicles exiting Tye Lane into The Street have limited vision of oncoming traffic during peak hours and there is a greatly increased risk of vehicle and pedestrian accidents with the higher vehicle movements that will be generated by allowing access to Tye Lane.

Your views as made above will be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish your comments including your name and address on the website. Please make sure that you have only provided information that you are happy will be published in this way. Some applications will be determined by the Development Control Committee, and I shall write and inform you of the date of the meeting and the procedures for public speaking if this is the case. However, if your representation has been received after the agenda for the meeting has been finalised and the notifications have been generated, you will not receive notification. In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/weekly-lists>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Development Control Committee.

Regardless of how the application is determined I will notify you of the decision.

Yours sincerely

Neil Crowther
