Dear Sir/Madam,

**Town & Country Planning Act 1990 (as amended)**  
**Town and Country Planning (Development Management Procedure) (England) Order 2015**

Application No: WA/93/20/PL  
Site Address: Land East of Tye Lane Walberton BN18 0LU  
Description of works: Alternative vehicular access off Tye Lane & emergency access off Avisford Park Road, along with minor highway works following WA/95/18/RES. This site is in CIL Zone 2 (Zero Rated) as other development.

Thank you for your internet representation made on 18th January 2021 which has been recorded as an objection with the comments as follows:

OWPC33010

This applicant already has access and exit onto the B2132 (Yapton Lane). To move the requested alternative access into Tye Lane would cause many dangerous situations as this is a narrow lane only suitable for light vehicles and a planning application (WA/59/20/PL) is already in process. Both of these would cause detrimental damage and dangerous traffic situations aligned to the fact that access to the A27 would also cause dangerous situations. The planning should not be allowed.

Your views as made above will be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish your comments including your name and address on the website. Please make sure that you have only provided information that you are happy will be published in this way. In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/weekly-lists>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Development Control Committee.
