Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: WA/93/20/PL
Site Address: Land East of Tye Lane Walberton BN18 0LU
Description of works: Alternative vehicular access off Tye Lane & emergency access off Avisford Park Road, along with minor highway works following WA/95/18/RES. This site is in CIL Zone 2 (Zero Rated) as other development.

Thank you for your internet representation made on 19th January 2021 which has been recorded as an objection with the comments as follows:

OWPC33052

The Lane is not a suitable site for the main entrance to a busy estate and the inclusion of a pedestrian footpath will effectively reduce the road to a single carriageway. This entrance will dramatically increase traffic on the Street Walberton and lead to congestion at the entrance to Barnham village. The suggestion that Avisford Park Road, which is unadapted, could be used as a secondary exit is laughable. The road surface is rutted and very unstable and there is barely room for two vehicles to pass. Should the Grey Route be accepted the situation would become intolerable.

Your views as made above will be considered before the application is determined.
