Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: WA/93/20/PL
Site Address: Land East of Tye Lane Walberton BN18 0LU
Description of works: Alternative vehicular access off Tye Lane & emergency access off Avisford Park Road, along with minor highway works following WA/95/18/RES. This site is in CIL Zone 2 (Zero Rated) as other development.

Thank you for your internet representation made on 6th April 2021 which has been recorded as an objection with the comments as follows:

OWPC34939

Walberton Village already suffers too much traffic at certain times of the day due to the size of "The Street", particularly the "blind" bend at the Holly Tree public House. It is already a dangerous bend with existing levels of traffic.

Many houses on the street have no off road parking and consequently, have to park on the road. Again this is particularly prevalent at the Holly Tree Pub, which often jams up completely at school time. Several large lorries have used this road to get to the nurseries on Eastergate Lane and have caused real problems at this corner. I know of at least one that was stuck there, unable to move, and therefore blocking the road for at least an hour and a half!

Tye lane is too narrow to have traffic going both ways at the same time and if this development gives rise to a further 200 - 400 cars a day at all times, predominately "Rush Hour" further problems will arise. Avisford Park Road is unmade, narrow & parked on, so would emergency vehicles be able to get down there? This needs rethinking!

Your views as made above will be considered before the application is determined.
