Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: WA/93/20/PL
Site Address: Land East of Tye Lane Walberton BN18 0LU
Description of works: Alternative vehicular access off Tye Lane & emergency access off Avisford Park Road, along with minor highway works following WA/95/18/RES. This site is in CIL Zone 2 (Zero Rated) as other development.

Thank you for your internet representation made on 29th April 2021 which has been recorded as an objection with the comments as follows:

OWPC35534

I object to this application for the following reasons.

1. Tye Lane is a narrow lane which has already been considered inappropriate as an access road from the Avisford Grange development. It remains unsuitable for the level of traffic proposed and will lead to much additional traffic into the village.
2. It is only now being considered as a reaction to the proposed route for the Grey route of the A27 affecting the original access onto Yapton Road. Not sure why the residents of Walberton should be made to pay for a planning error by others who do not accept/ understand the implications of this proposal.
3. Use of Avisford Park Road as an emergency road is inappropriate as it is a narrow, unadopted and unmade road which is maintained by the residents. It is also a well used footpath. The width is frequently reduced by delivery vehicles and parked cars so it is unlikely that emergency vehicles would have clear access anyway.

Your views as made above will be considered before the application is determined.
