Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: WA/93/20/PL
Site Address: Land East of Tye Lane Walberton BN18 0LU
Description of works: Alternative vehicular access off Tye Lane & emergency access off Avisford Park Road, along with minor highway works following WA/95/18/RES. This site is in CIL Zone 2 (Zero Rated) as other development.

Thank you for your internet representation made on 4th May 2021 which has been recorded as an objection with the comments as follows:

OWPC35717

I strongly object to the proposed use of Avisford Park Road for emergency vehicles to gain access to the Avisford Park Grange development. The unadopted road maintained by the residents is narrow, has no tarmac surface, has many pot holes and is essentially a public footpath used by many to access the village and school. Emergency vehicles speeding down the narrow lane would place pedestrians particularly children at great risk. Moreover, residents often have to wait up to 15 minutes or longer while deliveries are being made using hydraulic lifts. If an emergency vehicle came down the lane at such a time it would not be able to pass. The safety of pedestrians must be paramount at all times.

Your views as made above will be considered before the application is determined.
