Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: WA/93/20/PL
Site Address: Land East of Tye Lane Walberton BN18 0LU
Description of works: Alternative vehicular access off Tye Lane & emergency access off Avisford Park Road, along with minor highway works following WA/95/18/RES. This site is in CIL Zone 2 (Zero Rated) as other development.

Thank you for your internet representation made on 10th May 2021 which has been recorded as an objection with the comments as follows:

OWPC35860

I object on the grounds that Tye Lane is not suitable to serve as the only entry and exit for this large development. This is going to bring a huge amount of traffic through the village which has narrow roads and pavements and therefore not suitable. This was rejected in the original application and nothing has changed in that respect.

Avisford Park Road is not suitable for an emergency access due to the road surface, it is a narrow road and it is used regularly as a footpath. This whole situation demonstrates the poor and shameful planning by Arun District Council and Highways England. The Grey route should not be going ahead and the entrance and exit to Avisford Grange should remain where it was planned to be, has been built and where the original planning permission was granted.

Your views as made above will be considered before the application is determined.
