Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: WA/93/20/PL
Site Address: Land East of Tye Lane Walberton BN18 0LU
Description of works: Alternative vehicular access off Tye Lane & emergency access off Avisford Park Road, along with minor highway works following WA/95/18/RES. This site is in CIL Zone 2 (Zero Rated) as other development.

Thank you for your internet representation made on 11th May 2021 which has been recorded as an objection with the comments as follows:

OWPC36006

This application is premature and based on a contingency that may not happen; that the proposed A27 'grey' route will block the existing access. It should therefore be refused outright at this stage.

Highways England is currently consulting on mitigation measures with a revised detailed design due in June 2021. One obvious mitigation is to move the proposed A27 route slightly north thereby avoiding the entrance to Avisford Grange.

Highways England is already purchasing properties on Yapton Lane that are blighted by the proposed route, therefore should the next redesign still affect access to Avisford Grange then a new access onto Yapton Lane could be provided by Highways England using the land they have purchased.

Your views as made above will be considered before the application is determined.
