Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: WA/93/20/PL
Site Address: Land East of Tye Lane Walberton BN18 0LU
Description of works: Alternative vehicular access off Tye Lane & emergency access off Avisford Park Road, along with minor highway works following WA/95/18/RES. This site is in CIL Zone 2 (Zero Rated) as other development.

Thank you for your internet representation made on 11th May 2021 which has been recorded as an objection with the comments as follows:

OWPC36013

Tye Lane is far too narrow to support any increase over existing traffic. There are several points, where it is impossible for two cars to pass side by side as it is, and if heavier traffic is to be routed down there, it will be chaos and be unpassable. To direct yet more traffic through the small roads of Walberton Village is ridiculous. The Village jams up at certain times of the day and nothing moves in either direction.

Your views as made above will be considered before the application is determined.
