Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: WA/93/20/PL
Site Address: Land East of Tye Lane Walberton BN18 0LU
Description of works: Alternative vehicular access off Tye Lane & emergency access off Avisford Park Road, along with minor highway works following WA/95/18/RES. This site is in CIL Zone 2 (Zero Rated) as other development.

Thank you for your internet representation made on 11th May 2021 which has been recorded as an objection with the comments as follows:

OWPC36044

Access to Tye Lane may not be needed even if (and it's a big if) the A27 Arundel Bypass follows the planned grey route. Access to Yapton Lane could be via space created by the compulsory purchase of properties blighted by the proposed bypass route.

Tye Lane is proposed to be terminated at its northern end, thus funnelling all traffic right into the centre of the already congested village. In any event, Tye Lane is substantially narrower than Yapton Lane.

This application is both premature to need and would have a detrimental effect on the Tye Lane / The Street area of the village of Walberton.

Your views as made above will be considered before the application is determined.
