Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: WA/93/20/PL
Site Address: Land East of Tye Lane Walberton BN18 0LU
Description of works: Alternative vehicular access off Tye Lane & emergency access off Avisford Park Road, along with minor highway works following WA/95/18/RES. This site is in CIL Zone 2 (Zero Rated) as other development.

Thank you for your internet representation made on 12th May 2021 which has been recorded as an objection with the comments as follows:

OWPC36086

Access to this site was granted for Yapton Lane, this is a significantly wider road than Tye Lane and more suited to the current development.

With the proposed access moving to Tye Lane vehicle movements on The Street and through Walberton Village will greatly increase. This road is narrow, is a bus route and houses two schools, the pre-school and the primary school. Currently traffic is congested, particularly at the start and end of the school day, with vehicles unable to pass. With the level of vehicle movements to be expected on a development of this size, including residents, visitors and commercial deliveries and services, The Street will become far more congested and will become a bottle neck affecting the surrounding area.

The access to Avisford Grange should be retained as Yapton Lane.

Your views as made above will be considered before the application is determined.
