Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: WA/93/20/PL
Site Address: Land East of Tye Lane Walberton BN18 0LU
Description of works: Alternative vehicular access off Tye Lane & emergency access off Avisford Park Road, along with minor highway works following WA/95/18/RES. This site is in CIL Zone 2 (Zero Rated) as other development.

Thank you for your internet representation made on 12th May 2021 which has been recorded as an objection with the comments as follows:

OWPC36150

This proposed development on land East of Tye Lane, Walberton, is in contravention of our agreed Neighbourhood Plan which recieved over 91% approval in the 6th May Elections. HE traffic figures are totally inaccurate because they do not include any HGV traffic which would be required in building the new estate. The proposed A27 Grey route would cut off any access to the A27 going north bound and force all traffic back onto The Street, through the village, which is a Conservation area. The noise and pollution to our residents and local school near by would be totally unacceptable.

Re Avisford Park Road as an emergency access from and to Avisford Grange estate, is untenable since it is a single track and blocked at The Street end.

Your views as made above will be considered before the application is determined.
