Dear Sir/Madam,

**Town & Country Planning Act 1990 (as amended)**  
**Town and Country Planning (Development Management Procedure) (England) Order 2015**

Application No: WA/93/20/PL  
Site Address: Land East of Tye Lane Walberton BN18 0LU  
Description of works: Alternative vehicular access off Tye Lane & emergency access off Avisford Park Road, along with minor highway works following WA/95/18/RES. This site is in CIL Zone 2 (Zero Rated) as other development.

Thank you for your internet representation made on 13th May 2021 which has been recorded as an objection with the comments as follows:

OWPC36204

Our previous comments submitted regarding this application remain unchanged. Furthermore, we wholeheartedly support the objections raised by the Walberton Parish Council dated 7 May 2021 against the proposal.

Tye Lane is not a suitable alternative main entrance to this large housing development. It is narrower than Yapton Lane. The increase in traffic will be detrimental to the villages and will affect the character of the Conservation Area. This is contrary to The Walberton Neighbourhood Plan. The proposed narrowing of the highway abutting the boundary of our property will increase dangers to pedestrians, cyclists and vehicular traffic. It would also mean the loss of residential parking spaces for the houses at the southern end of Tye Lane near The Street.

Your views as made above will be considered before the application is determined.
