Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: WA/93/20/PL
Site Address: Land East of Tye Lane Walberton BN18 0LU
Description of works: Alternative vehicular access off Tye Lane & emergency access off Avisford Park Road, along with minor highway works following WA/95/18/RES. This site is in CIL Zone 2 (Zero Rated) as other development.

Thank you for your internet representation made on 14th May 2021 which has been recorded as an objection with the comments as follows:

OWPC36218

I very strongly object to these alterations on the grounds of safety. If the access onto the a27 is closed then this proposal is suggesting to divert this entire development in and out through the village which simply cannot cope with this level of additional traffic! Primary school children have to walk past this end of Tye Lane through a narrow village without complete pavements and this proposes to send hundreds of additional vehicles in and out this way. Absurd and Dangerous!!!

Your views as made above will be considered before the application is determined.
