Dear Sir/Madam,

**Town & Country Planning Act 1990 (as amended)**  
**Town and Country Planning (Development Management Procedure) (England) Order 2015**

Application No: WA/93/20/PL  
Site Address: Land East of Tye Lane Walberton BN18 0LU  
Description of works: Alternative vehicular access off Tye Lane & emergency access off Avisford Park Road, along with minor highway works following WA/95/18/RES. This site is in CIL Zone 2 (Zero Rated) as other development.

Thank you for your internet representation made on 14th May 2021 which has been recorded as an objection with the comments as follows:

OWPC36257

I object to this planning application for all the reasons stated in the email submitted by Walberton Parish Council on 7 May 2021.

The application is premature, being based on a contingency plan that may not happen; that the proposed A27 route will block the existing access. This potential risk was known when the original planning application was approved.

It will result in an increase in traffic travelling through the villages of Walberton and Fontwell. Tye Lane is significantly narrower than Yapton Lane for vehicle movements. The reduced road width to accommodate the new access point increases the danger to pedestrians, cyclists and vehicular traffic.

A number of Traffic Flow Diagrams are provided to illustrate changes in traffic flow patterns. However, they seem to have incorrect data. It is not clear whether the application is based on Tye Lane being open or closed at the A27.

Your views as made above will be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish your comments including your name and address on the website. Please make sure that you have only provided information that you are happy will be published in this way. If you have supplied information belonging to a third party, you must make sure you have their permission to do so. If you do not wish your comments to appear on the website or on the file you will need to confirm this by emailing to [planning@arun.gov.uk](mailto:planning@arun.gov.uk) and I will arrange for it to be destroyed although this means that the content will then be disregarded.

The majority of applications are determined under delegated powers by officers. Further information on the decision making process can be found on the website at :<https://www.arun.gov.uk/planning-decision-process>.

Some applications will be determined by the Planning Committee, and I shall write and inform you of the date of the meeting and the procedures for public speaking if this is the case. However, if your representation has been received after the agenda for the meeting has been finalised and the notifications have been generated, you will not receive notification. In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/weekly-lists>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Planning Committee.

Regardless of how the application is determined I will notify you of the decision.

Yours sincerely

**Neil Crowther**  
**Group Head of Planning**
