Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: WA/93/20/PL
Site Address: Land East of Tye Lane Walberton BN18 0LU
Description of works: Alternative vehicular access off Tye Lane & emergency access off Avisford Park Road, along with minor highway works following WA/95/18/RES. This site is in CIL Zone 2 (Zero Rated) as other development.

Thank you for your internet representation made on 14th May 2021 which has been recorded as an objection with the comments as follows:

OWPC36265

This is a poorly conceived proposal for several reasons:

Attempting to find another access way in and out of the Avisford Grange site involves using the narrow Tye Lane, and the anticipated amount of use from 175 houses is a great underestimate, which would syphon cars onto Walberton village's main street, already winding and unsuitable for more daily traffic, including the inevitable increase in delivery vans. Walberton's Neighbourhood Plan makes clear the intention to resist any such proposal.

The intention to use Avisford Park Rd for emergency access, even if only very occasionally, is also ill thought out- this road can only take one vehicle at a time and is frequently reduced even further by parked cars or deliveries, which cannot turn round at the village end.

Given that Highways England's proposed Grey route is not yet fully approved and may even be altered in the planning enquiry to come this proposal should be refused at the moment.

Your views as made above will be considered before the application is determined.
