Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: WA/93/20/PL
Site Address: Land East of Tye Lane Walberton BN18 0LU
Description of works: Alternative vehicular access off Tye Lane & emergency access off Avisford Park Road, along with minor highway works following WA/95/18/RES. This site is in CIL Zone 2 (Zero Rated) as other development.

Thank you for your internet representation made on 16th May 2021 which has been recorded as an objection with the comments as follows:

OWPC36295

Any Access onto Tye Lane will increase traffic through Walberton . This directly conflicts with the Walberton neighbourhood plan , and also the ADC Local plan (ref T SP1)

Tye Lane is a narrow road, and this width will not support numerous HGV's alongside the normal daily traffic. There will be constant traffic jams as oncoming vehicles try to negotiate the too narrow widths to get past these lorries. It should be noted that some of the houses on Tye Lane have their boundaries directly onto the lane. Not a good place to be if large lorries are passing by. !

The HGV's will also significantly add to the safety of both cyclists and pedestrians, and many do use the lane for exercise. They should not be put in fear for their lives.

There has been a presumption by the builders that the Grey Route of HE will do ahead. At this stage it is their preferred option but this could well change so really the builders are rather jumping the gun.

I would hope that this underhand planning application is going to be rejected.

Your views as made above will be considered before the application is determined.
