Good morning Michael

I am dropping you a line as I have. However, I see that ADC are now in receipt of the Highways England consultation response which is basically a holding response pending their ability to provide a definitive response in a couple of weeks time. On that basis could I request that ADC issue a request for a further extension of time so that the highway issues can be fully understood before any decision is issued.

This will have the added benefit of allowing to address the concerns raised in respect to trees on Tye lane by your ecologist/arboriculturist.

I look forward to receiving the request.

If you would wish to discuss this please let me know. Also I have copied Sam into this email as he is coordinating efforts on the re plan application.

Kind Regards
