Dear Sir/Madam

The Town & Country Planning Act 1990 (as amended)

Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 6

Approval of reserved matters following outline consent WA/44/17/OUT for the erection of 175 No. dwellings, car parking including garages, internal access roads, footpaths, parking & circulation areas, hard & soft landscaping, allotments, play areas/equipment & community orchard & other associated infrastructure & engineering works. This application may affect the character & appearance of the Walberton Village Conservation Area.

Land east of Tye Lane Walberton

Thank you for your internet representation made on 12th February 2019 which has been recorded as '**an objection**' with the comments as follows:

*Having read the attached documentation to WA/95/18/RES and WA/44/17/OUT.
I object strongly that not sufficient consideration has been taken into account with regard to Doctor and social services, as the village is already under threat with inefficient and run down services.
The single vehicular access into Yapton Lane, which already is a fast and dangerous road, taking heavy commercial traffic from the A27 to Ford Airfield. These 175 dwellings proposed has the potential to swell the traffic to extremely dangerous levels to both Yapton Lane (B2132) and its juncture with Arundel Road (A27).
I would like to think that a proactive action will take place prior to the development to this planning application takes place.*

Please be advised that any comments received after the the Development Control Agenda has been produced will be reported to the meeting.
