Hi Michael,

An EoT to Friday 15th March 2019 would be perfect. I appreciate your offer of speaking with the parish council when the elevations go out to try and speed up their response. The LPA needs to re-notify the Parish Council for 21 days on any amendments to the reserved matters application as there is a 'made' Neighbourhood Plan in place.

Please could you respond to this email agreeing to an EoT to Friday 15th March 2019.

Kind regards,

Michael

Hi Michael

Having discussed with Yuved, can we agree the 15th March as an exot? We will speak with the parish when the elevations go out to try and speed up their response but is there a need to do a full reconsultation when they have not made any comments on design specifically?
