Please upload onto Ocella the email below from the Local Highway Authority as a further consultation response to WA/95/18/RES.

Thanks,

Michael

Michael,
The additional information provided showing a hard surface of the link to Avisford Park Road removes the Highway objection to the reserved matter application.
I note the additional issues raised in my last consultation response of phasing of the footpath links and layout can be commented on further under the applications WA/11/19/DOC – condition 15 and WA/116/18/DOC – CEMP (which I think includes the phasing plan)
