Hi Michael - they aren't amended in the detail of the hard landscaping or the other open spaces only for consistency as some of these plans show the fence area as well if that makes sense.

Kind regards

Laura Humphries MRTPI

Hi Laura,

I know you are revising the soft landscaping plans with the ball stop fencing due to the additional tree planting, but why do you need to amend the hard landscaping plans and the plans of the public open spaces?

Kind regards,

Michael
