Hi Michael,

Following your emails on the position and extent of the golf net, we have revised the plans to reflect your requirements. These are shown across the set of landscaping plans. These plans have been submitted as part of the condition discharge for RM condition 5 as well as forming part of the re-discharge of condition 11 on the outline and the NMA application. The letters attached reflect these three submission.

I trust these address your comments and the applications can now be approved.

Kind regards,
