Subject: RE: Walberton Golf Net Revised details Email 1

Hi Michael,

I have been through the information with Paul Cann regarding the SWALE and foundation arrangements and we consider the proposals are now satisfactory.

Kind regards

Bruce

Subject: FW: Walberton Golf Net Revised details Email 1

Dear Roger and Bruce,

Please see the email below and the attachments which set out the proposed amendments to the location of the golf netting along the northern boundary of Land East of Tye Lane, with Avisford Park Golf Course, in Walberton.

I look forward to receiving your response.

Kind regards,

Michael

Subject: Walberton Golf Net Revised details Email 1

Hi Michael,

Please find enclosed in the following emails the revised plans for the golf net and associated applications. It has been extended to the back edge of the 1st tee and the position of the foundations which vary on the height of the fence shown on the plans. As a result we have shifted the SWALE slightly as much as possible on the site to ensure the foundations are clear of the SWALE and there is a reasonable level of access for maintenance. This is the best that can be achieved with the various constraints in this area. There is a cross section included which shows the typical details. Overall, I hope this addresses the remaining issues and that the details can now be approved.

Kind regards,

Laura Humphries MRTPI
