Hi Richard

On writing up the report, I noticed that the Trees Officer had requested the following pre-commencement condition:

Before the site is occupied or any machinery is introduced to the site or demolition work or construction work or alterations to existing ground levels takes place a PRE-COMMENCEMENT Site Meeting is to take place between the Planning Authority's Tree Officer and the Arboricultural Expert representing the site owner(s) - at this meeting all protective fencing will be inspected to verify it is 'Fit for Purpose' as required under British Standard 5837:2012 and has been erected and positioned exactly as shown on: Appendix 7 - Tree Protection Plan, Beechdown Arboriculture Limited, 06/12/2019.

Reasons: In the interests of the landscape and visual amenity of the area, to comply with BS5837 and policies ENV DM4 of the Arun Local Plan and VE3 of the Walberton Neighbourhood Plan. This needs to be a pre commencement condition to ensure that trees are taken care of before any works take place.

In accordance with Government legislation, the LPA has to get applicant agreement on all pre-commencement conditions.

Please can you confirm by return of email ASAP and by 2pm today that you agree to the condition as set out above?

The decision is ready to issue and will be with you by Monday 23rd Dec then

Thanks
Amy
