Hi Simon

This is disappointing as this is the second application and new issues have been raised, having overcome the previous reason of objection. Therefore given this history, my client wishes to continue with the application and go to appeal, rather than prepare a third application, to which the LPA has the potential to raise other issue not previously identified.

Have a good weekend.

Best regards
Susan

Hi Sue,

And the same to you.

I don't consider a meeting to be necessary and we will not allow an extension of time to cover negotiation. Note that all EoT's now have to be agreed with the Group Head and must be for exceptional reasons. I have written this decision up for refusal and plan to put it through for decision on Monday 17th although you could withdraw it before then if you wished and we could then meet on site (potentially with Mark) before a resubmission.

Simon.
