Hi Daun / Raymond,

I have now uploaded the large files that were unable to be uploaded via the planning portal to the Microsoft teams link.

[REDACTED]

Raymond – All of the information that has been submitted to you as part of the DOC applications in relation to the Outline Planning Permission should now be available for view. I have not uploaded all of the information to the Microsoft teams link only the large files not acceptable via the planning portal. I imagine you may be in the process of already downloading the files from the planning portal and therefore I didn't want to create any unnecessary abortive work.

Let me know if this is ok.

Kind regards,
Sam

Good morning Daun,

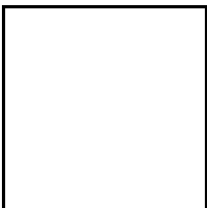

Hope you are well.

Previously, we have uploaded large files to a Microsoft teams link provided by ADC in relation to our Reserved Matters planning application under reference WA/48/19/RES. I am wondering if we could undertake a similar process for our recently submitted Discharge of Conditions applications that relate to the Outline Planning Permission WA/22/15/OUT? If this would be acceptable, please could you provide a new link and I will upload the remainder of the information which was too large for the planning portal.

Thank you in advance.

Kind regards,
Sam
