Essential maintenance is being carried out to the planning, building control and local land charges database during the week commencing 12 April 2021.

During this time there will be no public or staff access to any records held within this database, and it will not be possible to carry out any of the following tasks via the Arun website:

- Research planning and building control history
- View any planning applications, plans, agreements, tree preservation orders or competent persons data
- Submit building control applications
- Submit planning application comments
- Report any planning compliance issues

The publicity and consultation period for all planning applications that fall over this week will be extended by a further week to ensure no one is disadvantaged.

All other aspects of planning, building control and local land charges will be limited during this week and you are strongly advised to contact the individual departments before 12 April 2021 for specific restrictions during this time.

Subject: FW: Fontwell - Environment Agency response to WA/99/20/DOC

Please could you upload the following e-mail to the application folder WA/99/20/DOC as the Applicant's response to Environment Agency comments?

Thank you

Raymond Cole

Subject: Fontwell - Environment Agency response to WA/99/20/DOC

Good morning Ray,

The latest comments raised by the Environment Agency relates to the documents for the construction details of the soakaways being unavailable. However, the relevant documents were uploaded with the application on 15.12.20 and are made publicly available on the planning portal. Please can I ask the information is issued ASAP or they are advised the information is within the application documents. For ease, they are the following drawing numbers.

- FON-133-01-A - Soakaway Details
- FON-133-02-A - Soakaway Details
- FON-133-03-A - Soakaway Details
- FON-182-02-A Domestic Drainage Construction Details
- FON-183-01-A SUDS Feature Details

Kind regards,
Sam

Sam Pinkus
Planning Co-Ordinator
