Dear Ms Block,

Apologies for the delay in responding.

I don't believe I have received any further comments however consultation is open until the 30th January.

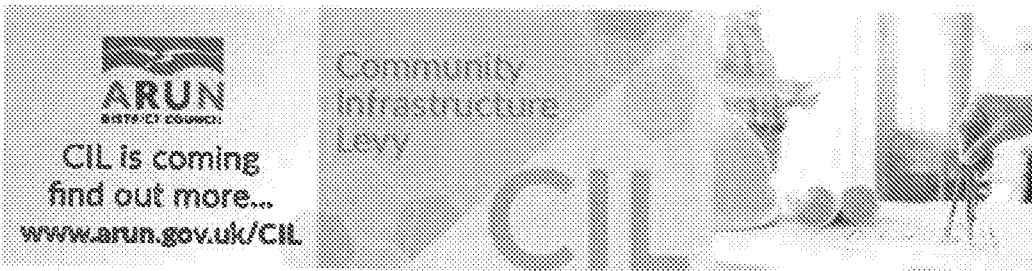

Having discussed the application briefly with my manager, we feel the number of flags proposed is excessive, especially as there are a number of other adverts on site.

3 flags could be constructed without permission and therefore we would allow 3 however any more we believe will justify refusal due to the impact they cause upon amenity.

Would you be willing to agree to 3 flags? This can be noted within the officers report and wouldn't require further consultation.

Please let me know.

Thank-you
Amber

Hi Amber,

Further to our telephone call earlier this month, please can you confirm if any additional consultee comments have been received on the application and whether you have now had the chance to discuss the application with your line manager.

Kind regards

Kathryn
