Dear Peter,

Thank you for your email & letter (which was received yesterday not 15/01/22 as it is dated) . I agree with you that condition 13 does not require the submission of details/written discharge where it was not necessary to remediate this site (and so there being no approved remediation strategy or verification plan). I agree that the condition should have been worded differently to specify that it is only relevant where remediation was necessary.

I will place a copy of this email and your letter on our file refs Y/44/17/OUT and Y/100/21/DOC.

Kind Regards

Hi Simon

Hope all is well.

Hope you don't mind the email, but just wanted to see if there is a convenient time to call to discuss Y/6/22/DOC and the attached letter.

Many thanks,

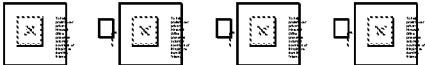

Peter
